

OUR COMMITMENT

We are committed to creating a transparent, founder-friendly and investor-focused ecosystem where quality startups meet informed investors.

Together, we aim to create more angel investors, support more founders and strengthen India's innovation ecosystem.

"To build one of India's most trusted communities of angel investors, while creating meaningful opportunities for early-stage founders."

THE OPPORTUNITY

Why DAN

Every year, thousands of startups struggle to raise their first ₹5L–₹50L — the capital needed to build, validate and prepare for institutional funding. DAN exists to close that gap, and to give members a curated way into India's startup story.

WHAT MEMBERS RECEIVE

● Curated Startup Access

Screened idea-stage and early-stage startups from across India, evaluated before reaching the network.

● Monthly Startup Showcases

2–3 startups every month — founder pitches, product demos and live investor Q&A.

● Investor Education

Sessions on evaluation, due diligence, valuations, term sheets, cap tables and SAFE notes.

● Access to Ecosystem Leaders

Direct interaction with founders, VCs, mentors and the wider DraperU India network.

● A Trusted Community

Belong to an active network of entrepreneurs, investors, founders and industry leaders.
